

Westport Weston Family Y Recognizes Long-Time Staffers

Westport CT, December 17, 2007 – Continuing a tradition started by CEO Helene Weir when she assumed leadership of the Family Y, staff gathered in the Board Room last Wednesday morning to recognize those colleagues who have worked at the Family Y for five or more years.

Denise Hotch, Deborah Costello, Richard Donnellon, Steven Forlano, Megan Humphrey, Marla Kerwin, Daniel Nash, Jennifer Seirup and Luciano Zaffina each were recognized for their five years of service and received a watch which features the “Y” logo on its face.

As she prepared to announce the names of those staffers who have been with the Family Y for more than 20 years, Weir remarked “Last year at this time we gave you a watch, so this year we had to come up with something different.” With that, *Hildegarge Boyne, Ellen Johnston, Virginia Kmecak, Ruth Sherman* and *Sally Silverstein* each received a \$50 gift certificate for a local retailer.

A low-key affair, featuring a breakfast buffet, the event is important nonetheless. According to Weir, “It gives people a chance to mingle and chat while affording me the opportunity to express appreciation for the dedication of those who contribute so much to this Association.”
