

2006 Water Rat Swim Team Citrus Sale

Enclosed please find information for the 2006 Water Rat Citrus Sale. This is the Water Rats major fundraiser. We need each family to try to sell three (3) boxes to help reach the minimum quantity needed for delivery. We sell grapefruit, navel oranges (not the sugar sweet), and mammoth pecans. The fruit comes from Texas, where this season's crop is extra juicy and sweet!

You are probably at your limit with sales – gift wrap, magazines, and candy to name a few. But this sale is good for you – just think of all that Vitamin C, and the mammoth pecan halves arriving just in time for Thanksgiving baking.

The cost for a box of 20 lbs. of big, juicy red grapefruit is \$16.00. The cost for a box of navel oranges is also \$16.00. A one pound bag of pecans is \$10.00 while the cost for the gift pack/holiday box is \$21.00. Checks must be made out to WRAT Parents Club. No cash please.

This year, we are offering some incentives for you to participate. The top seller in the drive will win a \$75 gift certificate to the store of your choice. The second seller will win a \$50 gift certificate, and the third seller will receive a \$25 gift certificate. We will also have a draw prize of a \$50 gift certificate to the store of your choice. To qualify for the drawing, you must sell at least 3 boxes. For every additional 3 boxes, you will receive another chance.

DATES TO REMEMBER;
