

'The Right Thing To Do'

For over 50 years the Westport YMCA has been important part of my life. Its many programs benefit so many of us. We know the old Y is finished business and as a citizen of

Westport for over 50 years, I would, and do, support the new Y at Mahackeno. There can be no downtown facility.

I try to understand why anyone would not support the new Y at Mahackeno for this is the right thing to do for Westport, for ourselves and for future generations.

ROBERT H. ALLEN
